OFFICE OF LEGISLATIVE COUNSEL

Friday - 11 August 1978

1. (Internal Use Only - GMC) LIAISON Spoke to Robert A. Malstrom, in the office of the Secretary of the Senate, and James W. Fransen, Assistant Counsel, Office of the Senate Legislative Counsel, concerning Section 111 of Public Law 95-94. Fransen consulted Senate Legislative Counsel Harry B. Littell on several aspects of this legislation. (See OLC: 78-2939.)

2. (Internal Use Only - GMC) LIAISON Took a call from Sue Slotnick, on the staff of the House International Relations Subcommittee on International Organizations, who inquired about procedures being used to assemble documents that the Subcommittee had requested from the John F. Kennedy Library. I informed Ms. Slotnick about my conversations with the Library's Chief Archivist, and told her that the Library would be sending those documents on her list that originated with the Agency to me. I made certain that Ms. Slotnick understood that it had not yet been determined whether all of this material, which included NIE's, could in fact be made available to the Subcommittee. She said that she understood and was appreciative of our efforts to expedite the Subcommittee's request.

3. (Unclassified - JMD) LIAISON Jennifer Bakey, in the office of Senator Richard Lugar (R., Ind.), called and said that David Shaw, Senator Lugar's designee on the Senate Select Committee on Intelligence, would like Mr. Fred Hitz to stop by and pick him up and he will accompany Mr. Hitz to his meeting with Senator Lugar. I told Ms. Bakey this would not be a problem.

18. (Unclassified - LLM) LEGISLATION Mike O'Neil, General Counsel, House Permanent Select Committee on Intelligence, called in connection with the Civil Service Reform legislation and I said we would have our people up to him early this morning to provide him the necessary background papers to raise with Chairman Edward P. Boland (D., Mass.).

19. (Internal Use Only - LLM) LIAISON Sarah Luna, in the office of Representative Romano Mazzoli (D., Ky.), called to determine what the intelligence interest was in the Special Counsel provision in the Civil Service Reform legislation. I suggested she be in touch with Mike O'Neil, General Counsel, House Permanent Select Committee on Intelligence, but she said they never deal with that Committee on legislative matters. I told her that what we were trying to achieve is to conform the Special Counsel's authorities, which had been recently added to the bill, to the authorities the Special Counsel had with respect to proscribed personnel practices which had received due consideration and had been an element of the legislation for some time. Ms. Luna pushed me and asked what this really boiled down to. I told her it had to do with the protection of classified information and the number of independent authorities involved in oversight of highly classified areas of Government, referring to the IOB and the intelligence oversight committees and the Executive Order with its reporting requirements as hopefully sufficient for the task.

✓20. (Internal Use Only - LLM) LIAISON Called Howard Liebengood, Legislative Assistant to Majority Leader Howard Baker (R., Tenn.), and told him that we were taking care of the security indoctrination of Jim Cannon, also of the Senator's Majority Leader office, this morning which Liebengood appreciated very much.

21. (Unclassified - LLM) LEGISLATION Newal Squyers, DOJ, called in connection with the electronic surveillance legislation and requested that we attend a meeting at Justice Monday morning to sort out what is to be done with uncommitted and leaning against members. Representatives of the White House, Justice, NSA, Defense, FBI and staff members of the House Permanent Select Committee on Intelligence and the House Judiciary Subcommittee on Courts, Civil Liberties and the Administration of Justice will be in attendance.
